Summary

Motivated and enthusiastic front-end developer with 2 years of experience. Looking for a remote position in a professional environment which will allow me to contribute and develop my skills.

Experience

July 2019–present *Front-end developer | Wereldo.com, Brno, Czech Republic*

- Creating new features, functionality and capabilities using Vue.js, Vuex, Vuetify, GraphQL and TypeScript.
- Designing and implementing HTML email templates using Sendgrid.
- Performing bug fixes.
- Migrated the app successfully to the new Vuetify version.

Feb 2019–May 2019 *Front-end Intern | RiteTag, Prague, Czech Republic*

- Created new features, functionality and capabilities using Vue.js and Bootstrap.
- Performed bug fixes.

Oct 2014 – May 2018 *English Language Teacher | Chatzistergiou Language School, Larisa, Greece*

Oct 2007 – May 2013 *English Language teacher | AXON Language and Computer School, Larisa, Greece*

- Planned and implemented English lessons to adults and children of all levels.
- Operated Chatzistergiou Language School's online teaching platform to provide English lessons to students.
- Improved the schools' success ratio, as 90% of my students received their English certifications.
